Work

Software Engineer – **Xoriant**

Aug 2023 – Present

Client: **Morgan Stanley**

Tech Stack: **Python, Java, Spring Boot, Snowflake, Angular, Docker, Bash**

- Led the development and configuration of a Java/Spring Boot service to dynamically execute stored procedures based on JSON configurations, employing test-driven development (TDD) principles with JUnit 5 and end-to-end testing using the Cucumber framework.
- Contributed significantly to migration of ~1600 database objects to Snowflake, incorporating row-level access controls and leveraging HVR as a Change Data Capture (CDC) tool for data transfer from SQL Server.
- Assisted in migrating ~1.5 TB of data from Sybase to SQL Server, performing verification checks to ensure accuracy and consistency.
- Improved project hygiene and deployment workflows by leveraging Docker and WebstaX.
- Built and maintained dynamic reporting dashboards utilizing Angular, Spring Boot, and Flask.
- Engineered CLI tools to simplify and standardize HVR operational workflows across teams.

Skills

Languages: Java, Typescript, Bash, JavaScript, Python, SQL, HTML, CSS

Frameworks & libraries: Spring-Boot, Angular, React, Flutter, Bootstrap, Material – UI

Tools: Git, Docker, Snowflake, Google-Jib, Github Actions

Projects

Predictive maintenance system – IXORIO

ReactJS, Material-UI, NodeJS

- Designed and developed a dashboard system to monitor machine health, track order schedules, and identify faults in the production line, tailored for small to medium-sized enterprises.

Android app for St. Francis Institute of Technology

Flutter

- Developed a platform enabling students, teachers, and parents to view attendance, academic performance, receive notifications for news and events, and participate in polls and surveys.

Volunteer Experience

Student Council SFIT | Technical Head

2019 – 2021

Codex Committee SFIT & E-Cell Committee SFIT | Webmaster

2020 – 2021

Education

St. Francis Institute of Technology - Borivali

2018 – May 2022

Bachelor of Engineering in Computer Science

Thomas Baptista Junior College (HSC)

2016 – 2018

Carmelite Convent English High (SSC)

2011 – 2016
